___ A **LIGHT** house may need scraping, painting, and/or cleaning and general repair work. It can be staffed with unskilled volunteers and a handyman. This type of home may require 1 weekend of prep work culminating in the completion of the repairs on PROJECT DAY.

___ A **MEDIUM** house requires a knowledgeable House Captain. It may need carpentry and drywall repairs, minor electrical and plumbing work. It may require several skilled people. This type of home may require 1-2 weekends of prep work culminating in the completion of the repairs on PROJECT DAY.

___ A **HEAVY** house needs a lot of work, often requiring several skilled people. The House Captain should be prepared for a major workload. It will usually require an advanced crew of skilled volunteers for 2-3 weekends of prep work culminating in the completion of the repairs on PROJECT DAY.

Each group size should not exceed 15 per house/per shift. **The # of volunteers in your group is: _____**
If your group is small, we might combine your team with an additional volunteer group. Please list the number of skilled and professional volunteers you anticipate recruiting for your group. This helps us accurately align house repairs with your team of volunteers.
