Dominion Teams up with Rebuilding Together

Alexandria, VA. On July 20, 2015, fifteen volunteers from Dominion were armed with drills and hammers, faucets and p-traps, grab bars and paint to help Mrs. M. live in a safer, healthier home. Projects included replacing rotted fascia board, installing new gutters, replacing door handles, installing new sink faucets and grab bars, and more.

“Dominion is proud to support Rebuilding Together Alexandria’s work to preserve affordable homeownership and revitalize the Alexandria community by providing free home repairs and modifications. Volunteering with Rebuilding Together reflects the commitment of our employees to the communities in which we serve,” states Deborah Johnson, Manager-Regional State & Local Affairs.

“Enlisting the help of Dominion employees to make these upgrades is important since most of our clients live near the poverty level and can’t afford to make such repairs. By improving our clients’ housing conditions, we help them remain active members of their neighborhood and in turn help our city remain economically, socially and culturally diverse,” shared Katharine Dixon, President & CEO.

If you know someone like Mrs. M. who could benefit from our services, we encourage you to introduce them to us. To learn more, visit www.rebuildingtogetheralex.org or call 703-836-1021.
